i **ASSIST does not take the place of a counselor on your campus.** It is intended to help students and counselors work together to establish an appropriate path toward transferring from a public California community college to a California university.

UC Transfer Course Agreement (All Departments)

Foothill College
Academic Year 2025-2026

IMPORTANT

This agreement lists courses transferable for unit credit at all UC campuses.

It is based on information from the current California community college catalog and is valid for the academic year indicated at the top of this agreement.

Courses marked with "UC-" will satisfy the five areas of the seven-course requirements:
E = English, M = Math, H = Humanities, B = Behavioral and Social Sciences, S = Biological and Physical Sciences.

INFORMATION ABOUT UC'S TRANSFERABLE COURSE AGREEMENTS

Honors Course Credit Limitation

- Duplicate credit will not be awarded for both the honors and the regular versions of a course.
- Credit will be awarded only to the first course completed with a grade of C or better.

Course Repeatability

- An "ea" after the unit value of a course on this agreement is meant to indicate that the course may be repeated for credit under CCC campus policies.
- Since campus policies on repeatability vary, the "ea" indicator does not guarantee that UC will grant credit for every course that appears multiple times on a student's transcript. See the UC TCA for possible credit limitations.
