### SLI Opportunities

FOOTHILL COLLEGE  
SCIENCE LEARNING INSTITUTE

#### Nest of Innovation: Make it Happen

Tue, Dec. 2  
12:15 - 1:30 PM  
Room 4203

Join the SLI STEM Impact Team in this event to learn about basics of starting a project and hear from Foothill students who have successfully created their own projects. We'll also brainstorm new project ideas that you can get started on your own! Free boba for attendees!

### Foothill Opportunities

## GitHub Workshop for Beginners

Wed, Nov. 26  
4:30 - 5:30 PM  
XR Lab (Room 4220)

**R** Join us for a beginner-friendly GitHub workshop led by Susilo! Whether you're into game dev, XR, or just want to get better at version control before your next hackathon, this session is for you. Don't miss out—learn how to collaborate like a pro.

## Help at the Annual Physics Show!

Sun, Dec 14 - Thur, Dec 18  
Foothill Campus

**J** The annual Physics Show—hosted by Foothill Physics instructors Frank Cascarano and David Marasco—is looking for Foothill students to help out this December! This is a paid position and a fun way to give back to the community while inspiring local Title I elementary and middle school students who attend the show.

## XR Lab Thanksgiving Potluck

Wed, Nov. 26  
5:30 PM  
XR Lab (Room 4220)

**E** Take a break from the busy quarter and join the VR Club's cozy Thanksgiving potluck at the XR Lab, starting after the club meeting. Everyone's welcome to share food, laughter, and community. Bring a dish if you'd like—no pressure, just good vibes and good company!

## Give Back This Season: Toys for Tots Drive!

Now - Wed, Dec. 17  
Drop-off at: Foothill and De Anza Campus  
Police Stations

**R** Support local youth by donating a new, unwrapped toy (min. \$5 value) to the Toys for Tots Drive! Drop-offs can be made at the Foothill or De Anza Campus Police Stations. Highest need: Gifts for ages 13+ (sports items, art supplies, earbuds, board games, accessories, journals, and similar teen-friendly items). Questions? Reach out to [Officer Thomas](#)

## External Opportunities

## Exploring Comet 3I/ ATLAS

Wed, Nov. 26  
6:00 AM

## Genentech Internship for Community College Students

Join UCSC's Shadow the Scientists initiative for a rare chance to watch astronomers from Caltech, Griffith Observatory, and Eureka Scientific use the Gemini North telescope to study Comet 3I/ATLAS—a confirmed interstellar object! You'll get an inside look at how scientists collect and analyze data on a comet that's traveled from beyond our solar system. Don't miss this once-in-a-lifetime glimpse into cutting-edge space science and live celestial discovery!

[Register](#)

**Stanford** | MEDICINE

## Explore Cancer Research at Stanford

**Applications Open: Mon. Dec. 8**

Join this 10-week, in-person [research internship](#) funded by the American Cancer Society and hosted by the Stanford Cancer Institute. You'll gain hands-on lab experience, attend scientific seminars, and build career-ready skills in cancer research. Open to SF Bay Area undergrads from non-Stanford schools – don't miss this chance to grow your research skills in one of the country's top labs!

[More Info](#)

## RevPart 2026 STEM Scholarship

**Application Deadline: Wed. Dec. 31**

Are you majoring in a STEM field? Apply for the [RevPart](#) 2026 Scholarship to win funding for your degree—open to both undergrad and grad students. One winner and two runner-ups will be selected!

**Application Deadline: Sun, Dec. 7**  
South San Francisco

Ready to gain real-world biotech experience? Join Genentech's 12-week paid summer [internship](#) for community college students in operations and project management. You'll work on meaningful, business-critical projects, get mentored by industry professionals, and present to senior leaders—plus, you'll receive a stipend based on your location. Applications are open now for Summer 2026! Check out the website for separate application links for multiple internships.

**SCHOLARSHIP AMERICA.**

## Scholarship America Dream Award

**Application Deadline: Tue, Dec. 9**  
1:00 PM

Planning to transfer or already enrolled in a college or vocational program? The [Dream Award](#) offers financial support to students working toward a degree—whether you're just starting out or continuing your journey. Don't miss this opportunity to ease the cost of your education!

[Apply](#)

**SCHOLARSHIP AMERICA.**

## Amazon Future Engineer Scholarship

**Application Deadline: Thur. Jan 15**  
1:00 PM

Students pursuing a computer science degree can earn up to \$40,000 in scholarships plus a paid internship at Amazon. This is an amazing [opportunity](#) to fund your

education and gain real-world experience at one of the world's top tech companies. Apply now to kickstart your future in tech!

Apply

## National Rainbow College Fund Scholarship Application Workshop

**Workshop:** Thur, Dec. 11 3:00 PM  
Zoom

**Application Opens:** Jan. 2026

**S** Looking for scholarships that affirm who you are? Join this workshop to learn how to apply for the [National Rainbow College Fund \(NRCF\)](#) scholarships, which support students and allies facing barriers related to sexual orientation, gender identity, or gender expression. Don't miss this chance to access funding and support in a safe, private, and inclusive space.

Register

## Cal-Bridge Summer Research Program

**Application Deadline:** Sat .Jan. 31

**I** Interested in physics, astronomy, or STEM research? The [Cal-Bridge Summer program](#) offers fully funded 8–10 week research experiences at top institutions, including travel, housing, and a stipend. Open to California community college and CSU students—gain hands-on experience and present your work at the Cal-Bridge Research Symposium!

Apply

Apply

## \$6,000 eQuality Scholarship

**Application Deadline:** Sat .Jan. 31

**S** Are you passionate about LGBTQ+ advocacy? The [eQuality Scholarship Collaborative](#) is offering \$6,000 scholarships to Northern and Central California students who have shown service and leadership in the LGBTQ+ community. Open to students completing high school or community college between July 2021 and June 2026—this is your chance to fund your education while being recognized for your impact!

Apply

## Intern with Lawrence Livermore Lab!

**I** Explore cutting-edge science and technology at [Lawrence Livermore National Laboratory](#), where students work alongside some of the brightest minds in national security, energy, and climate. LLNL offers a variety of [paid internships](#)—from summer research roles to year-round graduate positions. If you're looking for hands-on experience that actually makes an impact, this is it.

Opportunities
